GRADUATE STUDENT APPOINTMENT

If your college/department or the Graduate School plans to pay your tuition, this graduate tuition and fee authorization is considered financial aid and must be reported.

Please be aware that it is your responsibility to inform the university immediately upon receiving a graduate associate appointment (e.g. Graduate Teaching Associate, Graduate Research Associate, or Graduate Administrative Associate) or a fellowship or any other position which includes payment of your tuition. Failure to report these resources could result in a loss of future aid awarded to you and/or you being billed for aid you have already received.
