FORM INSTRUCTIONS

You are receiving this form because you are enrolled in a graduate non-degree program at The Ohio State University and you have applied for federal student financial aid. Federal regulations do not allow us to award or disburse funds from federal aid programs to students enrolled in a program that does not lead to a degree or certificate at The Ohio State University.

However, if you are taking prerequisite coursework to gain entry into a program that leads to a graduate or professional degree at Ohio State (and have submitted a formal application to that program*); or if you are taking coursework towards teacher licensure, you are eligible to be considered for a Federal Direct Loan.

NOTE: Eligibility under these programs is restricted to one consecutive 12-month period. Students enrolled in a teacher licensure program do not have this restriction. Failure to provide this information will result in the denial of Federal Direct Loan funds.
