

2017-2018 Parent Non-Support Documentation

STUDENT NAME: _____ OSU ID: _____

You have submitted your 2017-2018 FAFSA without providing parental information because you indicated that you have special circumstances. Per federal financial aid regulations, you are classified as a dependent student. Therefore, you must provide the following documentation to our office. Please print this form and attach it to the requested items prior to submitting them.

- A notarized statement signed by each of your parents indicating that neither are providing any financial support for you;
- A notarized statement signed by each of your parents indicating that each refuses to provide their information on the FAFSA;
- A copy of your health insurance plan listing all covered members.

This documentation will be reviewed in order to determine if you meet the special circumstances criteria required for processing to continue. If you meet these requirements, you may continue the financial aid application process without providing parental information. However, please note that you will only be eligible to be considered for the **Federal Direct Unsubsidized Loan**. You will not be eligible to be considered for any federal and most university-funded aid, including scholarships and scholarship housing, grants, need-based loans, and the Federal Work-Study Program.

If you cannot provide the required documentation and you believe your special circumstances warrant a review, you may be eligible to complete a [Dependency Appeal](#). If your appeal is approved, you will be eligible to be considered for all financial aid programs, contingent on you meeting all other eligibility requirements. If your appeal is denied, you will need to provide the parental information
