

2017-2018 Satisfactory Academic Progress (SAP)

SATISFACTORY ACADEMIC PROGRESS STANDARDS

Satisfactory Academic Progress (SAP) is basic academic standards to ensure successful completion of coursework leading to the timely receipt of a degree. In order to receive federal financial aid, state grants, or university need-based aid, students must meet SAP standards established by their university in accordance with federal regulations. We monitor all aid recipients' academic progress by the following measures:

Cumulative Grade Point Average based on their academic classifications

- Undergraduate by the end of the first academic year: 1.8
- Undergraduate by the end of the second academic year and beyond: 2.0
- Transfers: 2.0
- Graduate (Masters, Nursing, Doctoral): 3.0
- Law, Optometry, Veterinary Medicine, and Pharmacy: 2.0
- Dentistry: 2.25
- Medicine: Satisfactory as determined by the department

Completion Rate Percentage

- All undergraduate and graduate students are required to complete 67% of the credit hours attempted (attempted credits include all graded courses, transferred courses, testing credits, pass/fails, and repeats.)

Maximum Time Frame for completion of degree requirements based on their classifications or academic disciplines

- Undergraduates: 150% of the hours required to complete their degree programs (defined as credit hours attempted, which includes all graded courses, transferred courses, testing credits, pass/fails, and repeats)
- Graduates (Masters, Doctoral): 150% of the hours required to complete their degree programs (defined as credit hours attempted, which includes all graded courses, transferred courses, testing credits, pass/fails, and repeats)
- For the following disciplines the maximum time frames are defined in terms of 150% of the terms required to complete the respective professional programs:
 - Law: 9 semesters
 - Medicine: 14 semesters
 - Dentistry: 15 semesters
 - Optometry: 14 semesters
 - Veterinary Medicine: 13 semesters
 - Pharmacy: 12 semesters

Students can view their SAP status through their Student Center from <https://buckeyelink.osu.edu/> by selecting View Financial Aid under the Finances heading, the current aid year, and the SAP Status tab. Students that fail to meet any standard are deemed SAP Suspended and ineligible to receive federal financial aid, state grants, or university need-based aid.

REVIEW SCHEDULE AND WARNINGS

Students are strongly advised to monitor their OSU email account and their SAP status regularly. Notification of the change of SAP status is sent to the student via email to their OSU email account plus a student's SAP Status and academic details are visible anytime through their Student Center.

It is the student's responsibility to ensure they are meeting the requirements to maintain financial aid eligibility.

Cumulative GPA and Completion Rate are reviewed annually at the conclusion of the Spring term after the university's grade posting deadline for the term (see <http://registrar.osu.edu/registration/index.asp> for dates.)

Maximum Time Frame is monitored at the conclusion of each term after the university's grade posting deadline for the term

- Students who are approaching their maximum time frame are sent a warning notice to their OSU email account when they are within 24 hours or one term of reaching their program maximums.

2017-2018 Satisfactory Academic Progress (SAP)

REESTABLISHING AID ELIGIBILITY

Students who become ineligible for financial aid can re-establish their eligibility in one of two ways:

- Attending classes at their own expense or using external financial assistance until such time as they are meeting all the SAP standards.
 - Once SAP standards are met, students must submit the Appeal of Satisfactory Academic Progress form, indicating that they are now meeting SAP standards and wish to be reconsidered for aid.
- Successfully appealing the suspension status.

If an extenuating circumstance prevented a student from achieving the SAP standards, they can petition for reconsideration of their eligibility for financial aid. The appeal must explain and document why the student failed to meet SAP and describe how the circumstances have changed that will allow them to be academically successful and meet SAP in the future. Prior to submitting an appeal, the student will need to complete a Free Application for Federal Student Aid (FAFSA) and be an admitted, active student at The Ohio State University. The appeal and necessary supporting documentation and statements must be submitted together at Buckeye Link, 281 W. Lane Ave., or a regional campus financial aid office for signature and initial review by the deadline for the term.

Before completing and submitting an appeal, the student should review the SAP policy to ensure they can meet the necessary requirements. Lack of knowledge of the policy will not be grounds for the approval of an appeal. For more information please see <http://sfa.osu.edu/contact-us/consumer-disclosure/satisfactory-academic-progress-policy>, and then click on the SAP link.

APPEAL DEADLINES

Appeals along with all supporting documentation must be received by a staff member at Buckeye Link, 281. W. Lane Ave., or a Financial Aid Counselor at any regional campus on or before the first Friday of the term to be considered for financial aid for the current term. Appeals received after the first Friday of the term will be reviewed to receive aid for the following term.

The appeal review process begins after the university's grade posting deadline for the prior term (see <http://registrar.osu.edu/registration> for dates.)

Below are the appeal submission deadlines:

Summer Session: May 19 **Autumn Semester:** August 25 **Spring Semester:** January 12

Note that fee payment deadlines are always before the semester start date and will not be extended. Not having financial aid to pay for your classes or other expenses does not excuse you from your responsibility of paying tuition and fees by the due date and will not be an acceptable appeal reason for failing to meet SAP requirements for the semester.

*Due to the timing of the fee payment deadline for summer session, you may receive aid for which you are determined to be ineligible once we review SAP after spring semester grades post.

Late fees will not be waived and you will not be excused from the Drop for Nonpayment process while your SAP Appeal is being reviewed. You are responsible for making full payment of your fees by the due date.

APPEAL DECISIONS AND CONDITIONS

Appeals are generally processed in the order they are received. The decision is communicated to the student via their OSU email account.

Students who successfully appeal their suspension due to **GPA or completion rate** are reinstated for financial aid eligibility through a probationary SAP status and assigned an academic plan. The academic plan provides specific semester requirements for GPA and/or completion rate. The individualized academic plan represents the minimum GPA or completion rate a student can receive each term to maintain probationary SAP status and their financial aid eligibility. Meeting the academic plan each term will correct the student's cumulative GPA and completion rate and return their SAP status to eligible. Students will remain on probationary status for the length of their academic plan provided they meet the conditions of their academic plan each term. Not meeting the plan for any term will result in a return to SAP Suspension and the loss of financial aid eligibility. The academic plan is visible on the Student Center from <http://buckeyelink.osu.edu> by selecting View Financial Aid under the Finances heading, the current aid year, and the To Do List.

Students who successfully appeal their suspension due to **Maximum Time Frame** only will return to eligible SAP status and will be given additional hours to complete their program.
