### STUDENT NAME VERIFICATION FORM

The name you used to file your 2010-2011 FAFSA is not the name you currently have on file with the University Registrar. Your name as reported to the University Registrar is used to report and reconcile your Federal Financial Aid with the Federal Processing Center and must be the same as your name on your FAFSA.

At this time, you need to take the following steps:

1. **CORRECT YOUR NAME** either on your FAFSA: <http://www.fafsa.ed.gov> OR with the University Registrar: <http://www.ureg.ohio-state.edu> so that these names MATCH YOUR LEGAL NAME listed on your Social Security card. If your name has changed and you have not updated it with the Social Security Administration (<http://www.ssa.gov>), we strongly advise that you do so as soon as possible in order to avoid future difficulties with your financial aid application.
2. **PROVIDE** a copy of your Social Security Card and a copy of your driver's license/state ID card to our office for verification.
3. **CONTACT** our office when you have corrected your name with the University Registrar to match your Social Security card, so we may continue processing your financial aid.

**Your Federal Financial Aid CANNOT be disbursed until this correction process has been completed. Failure to complete the name correction process as outlined above will result in a bill for any Federal Financial Aid already disbursed to you during the 2010–2011 academic year.**
