STUDENT NAME: \_\_\_\_\_ OSU ID: \_\_\_\_\_

You reported on your FASFA, or disclosed verbally/by email, that you have a federal or state (not a local or municipal) conviction for possessing and/or selling drugs **while you were receiving federal student aid**. This makes you ineligible for federal student financial aid. If you have already received federal student aid, your eligibility has been suspended and you are not eligible for any future payments.

You may regain eligibility for federal student financial aid through one of the following methods listed below. Please check the box which applies to you. **Note:** If convicted of both possessing and selling illegal drugs or if you have three or more convictions, you may remain ineligible for a longer period of time than noted below.

- I have completed an acceptable drug rehabilitation program since my conviction.

**Note:** An acceptable drug rehabilitation program must include at least 2 unannounced drug tests, be qualified to receive funds from a federal, state or local government or from a federally or state-licensed insurance company, or be administered or recognized by a federal, state or local government agency or court, or a federally or state-licensed hospital, health clinic or medical doctor.

- One year has elapsed from my first conviction date for possession of illegal drugs or two years have elapsed from my second conviction date for the possession of illegal drugs. The date of my last conviction for possessing illegal drugs was:
