

2020-2021 Mother's Social Security Number Confirmation

STUDENT NAME: _____ OSU ID: _____

The U.S. Department of Education requires parent date of birth and social security number to be reported on the student's FAFSA and conducts a "match" with other federal agencies/programs, i.e., Social Security Administration, Department of Homeland Security (DHS), National Student Loan Database, etc. One or more matching attempts have been reported as a "failed match." This occurred because the mother's name, date of birth or social security number reported on the FAFSA did not match the federal agency's records.

Write in the correct information below. On your behalf, we will submit the correction to the U.S. Dept. of Education.
